25X1 MEMORANDUM FOR:
Director, Office of Policy
and Planning
SUBJECT : Perspectives and Posture State-
ment

25X1 [redacted]
25X1 Since our lunch conversation Wilson and [redacted] have discussed the relationship of these two documents. This is just to confirm my understanding that the posture statement, which we will prepare, will replace Part 1 of the Perspectives. It will form the basis for you to prepare Parts 2 and 3 in something approaching previous formats.
